

YOU BELONG

# Become a Sponsor

You Belong is a 501(c)3 non-profit in Brown County. We are committed to improving the lives of families, individuals living with disabilities, and caregivers in our local community. We offer programs and classes for children, youth, and family members living with and without disabilities. Our programs promote healthy development and play based learning opportunities for children and youth as well as mental health support, caregiver support, social connections, and grief and bereavement counseling for adults.

In 2023, we served over 200 individuals through our programs and services. In 2024, we opened The Adventure Zone - an accessible indoor learning and play center designed for children and youth of all abilities. The Adventure Zone is well on its way to providing fun-filled indoor accessible adventures for thousands of children and families in our community. We are projecting over 7,000 children and youth visiting The Adventure Zone this year.

### Becoming an Annual You Belong/Adventure Zone Sponsor:

As a non-profit, our programs are made possible through donations, grants, program fees, and sponsorship donations made by local businesses who are looking to invest in the people we serve. As a sponsor, your donation will have direct impact on the people we serve because 20% of your donation is used to provide scholarships for families in need. Not only will you gain the satisfaction of making a life-changing impact, your business will also receive recognition and promotion for the thousands of families who will visit The Adventure Zone each year. If you're interested in becoming a sponsor, follow the QR code or contact us at [info@youbelongwi.org](mailto:info@youbelongwi.org) to join us in making a more inclusive society and become a featured sponsor through a tax-deductible donation.
