WANT TO VOLUNTEER?

RESPIRE EVENTS

During our Respite event, We are always in need of volunteers to serve as buddies to our participants. Buddies help the participant by simply being a friend for the day. They engage through games, activities, arts and crafts projects, and more! You Belong provides training, and support for all volunteers throughout the event to make sure volunteers our comfortable and supported in their work. *Background check required*

FACILITY

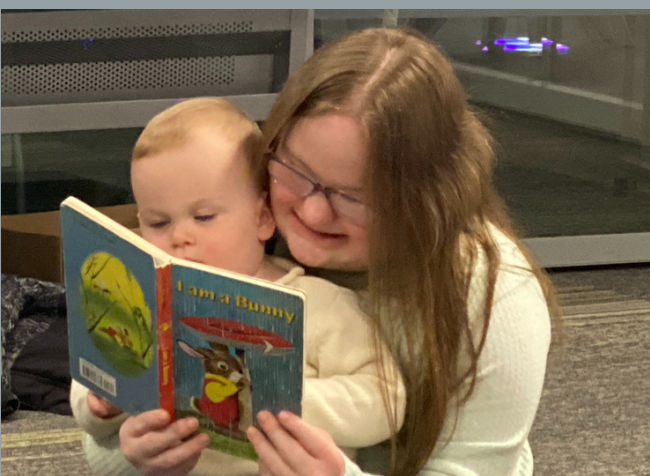

You Belong has opened up The Adventure Zone after renovations. There are still some projects to complete and improvements to be made though, that will allow us to better serve the community. There are a range of jobs and skills needed from experienced to novice. Some possible jobs include framing doors, taping floor mats, building play areas, painting, and general cleaning (ongoing).

FAMILY CLASS

The class provides support for parents and caregivers to help us all be the best parents we can be. Our instructors create a supportive environment where families are encouraged to play together and participate in crafts, circle time with songs and stories, and play based learning. We are looking for volunteers to help play with our 1-6 year old kiddos while parents get a time to connect and learn to be the best parent.

We strive for each Better Together event to include a meal, and are looking for volunteers willing to help provide the meal. We usually have approx. 15-20 people attend.
